

# Prayer & Freedom Free at Last

**The Weights Fall Off.** One night at a CFO camp a little girl came for prayer. She was haunted by fear. She was set free by prayer and the believer's authority. **The UPT has resources on the believer's authority.**

The unconditional love and unlimited forgiveness we experience in CFO puts into practice what God said in Isaiah 43:25,

*I, even I, am He who blots out your transgressions for My own sake; And I will not remember your sins.*

Because our transgressions are blotted out we can pray with power. Our task is to live in this unconditional love and unlimited forgiveness every day. But life (Satan) keeps throwing us curves. **The United Prayer Tower can come to your aid. We will help sustain you and carry your burdens as instructed by Paul in Galatians 6:2.**

*Carry each other's burdens, and in this way you will fulfil the law of Christ.*

**Prayer** in CFO helps get it started. **Prayer** in UPT helps keep it going.

# Prayer to Go Integration

An athletic training camp hones your skills to take home and use. CFO helps you integrate the Kingdom of God into all you do each day so that you can take it home and use it in your work, your play, your family life, everywhere. Each day is built around learning and practicing.

**The United Prayer Tower supports you by praying with you and for you 24/7. Our web site is packed with helps and guides to support you** for whatever your need: a decision, job, God's Will for you, sickness, business and family problems, dangers, anything and everything.

## Continuing the Beginning

**A Honeymoon.** A young bride and groom and a very old bride and groom started their married life together, together at a CFO camp. They were bathed in love, joy, blessings and prayers. Their response was WOW! **That WOW continued as they turned to the loving care of the UPT.**

**A Vacation** Without strife, filled with fun, the family knitted together, declaring this was the best time they'd ever had, teenagers asking "Can we come back next year?" **The UPT can help families keep what they found 24/7.**

**Escape.** How good it is to get away from running hither and thither, family stresses and turning it all over to God to un-mess the mess-ers and make assets out of the mess. **The UPT will help you keep un-messed.**

**Relaxing.** Sometimes prayer is sitting still in God's presence. **The UPT website has articles that can help.**

# Peace for Your Soul

In returning and rest shall ye be saved; in quietness and in confidence shall be your strength:

**The Garden Tomb** in Jerusalem is just outside Damascus Gate. As you approach the door in the wall surrounding it the noise and hubbub of the city rings in your ears. But the moment you step inside the Garden all the noise vanishes and you are bathed in quietness and peace.

That same peace envelopes you as you step into your prayer closet. It is the peace of prayer. **When stresses rob you of your peace let the UPT will help you regain that peace as they pray with you.**

# The Practice of Prayer

## Learning & Practice

CFO camps have often been described as **Training Camps** for athletes of the spirit. What we learn and practice helps us take dominion and reign in life as a king or queen.

*... all who will take God's gift of forgiveness and acquittal are **kings of life** because of this one man, Jesus Christ. Romans 5:17*

We leave camp inspired and dedicated to pray much more and live in love. But then life happens. We stumble. We make messes. We need help.

**The UPT is there to help.** On its web site you will find many helpful articles. And the prayer line is open 24/7 for immediate prayer. Dedicated pray-ers pray together once a week using a conference call. We are there for you.
